

Co-funded by the  
Erasmus+ Programme  
of the European Union

# SAVE THE DATE

**EFEU BIP 2025:**

**Industrial Decarbonisation Strategies**

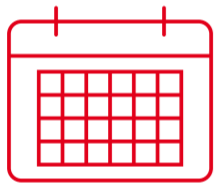

The Emission Free European Universities (EFEU) consortium of four leading universities, is offering a Blended Intensive Program (BIP) aimed at equipping students with the knowledge and skills to actively contribute to the fight against climate change. The program promotes decarbonisation efforts and energy efficiency strategies for the sustainable transformation of the BIP's industry partner **GlaxoSmithKline**

### Courses Offered:

- Decarbonisation
- Energy Efficiency
- Engineering and Sustainability

### Date:

On-line: April to June 2025 (1 h 30 per week)

In-person: June 9th - 15th 2025

### Location:

UPHF- IUT Valenciennes, France

**Target audience:** All students (availability is limited)
